REMEMBER – October 17th is a student holiday

Cancer Awareness

October is Breast Cancer Awareness Month. To commemorate Timmerman School's staff and school families who have been affected, we have chosen Thursday, October 16, 2014 as our school wide "Timmerman Goes Pink" day. All students and

Staff are to wear something pink to school that day (no uniforms). Then, Saturday October 18, 2014, come join the Timmerman School team in the Walk for LIFE. Check our Facebook page for details. We will not limit this memorial or honorarium to just breast cancer. We will honor all those affected by cancer.

Scholastic Book Fair & Grandparents' Day

If you haven't had a chance to visit our Book Fair, be sure to do so before it closes. The book fair is running from Monday, September 29, 2014 until Friday, October 3, 2014. The fair is open daily from 7:30 until 11:30am and again from 12:00 – 6:00 pm. This is one of our biggest fairs ever. We have set a very high goal and we need your help! Please come by and check out all of the great new titles.

Grandparents' Day Success:

Over 320 grandparents attended Grandparents' Days this week at Timmerman! What a super turn out! We are always so pleased and excited to see them all.

Varsity Girls' Volleyball

Our middle school girls' varsity volleyball team is well into their season. With several away and home victories, this is certainly one team to come watch. The next home game is this Thursday, October 2nd at 4:30 against PAC. The final home game of the year will be next Monday, October 6th at 4:30 against Cardinal Newman. Come support your lady owls. Go Owls!

Chorus May Strike Again!

Middle School Chorus Director, Robbie Braciszewski said that he believes this is going to be the most talented group of children he has ever collectively taught. After winning superior ratings at SCISA's Music Festival last year, we are certainly excited to see what markings will come home this year for both of the choruses! The Elementary Chorus also received a superior rating and is directed by Mrs. Linda Hood.

Football at Timmerman

Come join the fun as our middle school boys play an intramural flag football game on Thursday, October 9, 2014 at 6:00pm. Help our cheerleaders cheer them on. Hotdogs, chips, and drinks will be sold during the game. This will be a fun afternoon for all. Be there or be square!

Drama Department

The middle school drama students are working hard on two plays to be presented 1st semester. Drama is one of the electives offered to middle schoolers each day. One play is, "The Mouse that Soared" about Orvie, the mouse, who goes up in space. The other play, "Reluctant Dragon" takes place during the days of chivalry and involves St. George and a not so ferocious dragon. The drama students are excited about producing these plays for all to attend

Stock Market Game

The seventh grade is taking a class in the fundamentals of economics twice a week this semester. This curriculum involves banking, investing, saving, profit-loss margins, and economic terminology. They are also dividing into pairs and participating in the online stock market game where they are given an allotment of \$100,000.00 to invest. May the best team win!! Let's see which team invests and sells wisely.
