There were many Christmas programs that we hope you were able to enjoy. The 5 year olds sang songs and recited poetry dressed in their finest Christmas clothes. The 1st graders taught us about Christmas celebrations around the world through songs and stories. The faculty performed the "12 days of Timmerman" for the entire student body. Our choruses performed several songs and solos for the student body. We even had a small sing-a-long with the students before they were dismissed for Christmas Break. What a fun time!
