Time To Enroll!

Applications

Applications for the 2015-2016 school year are due now. We are currently experiencing a heavy volume of calls and interviews, especially in third grade and middle school. If you have not returned your children's applications, please do so promptly as testing dates for prospective students are now being scheduled. Summer applications are available now. You may get one from the main office, Linda Hood, or on the website.

Field Day and Spring Fair

Field Day and Spring Fair are scheduled for Friday, April 17th. Mark it on your calendar. This is a fun-filled day of athletic competition, carnival rides, and good food! Further information will be forthcoming.

Have you ordered your pictures yet? All pictures taken on our campus are posted on zenfolio.com. To access the pictures, click on campus life at Timmermanschool.org. You will need the password: `tspictures` (all lowercase and no space) to access each photo gallery.

Online Publication Available at www.timmermanschool.org

REMEMBER – March 30th – April 3rd is Easter Break Educational Studies

The 7th and 8th grades will leave Thursday morning for their trip to Washington, D.C. Timmerman students have enjoyed this experience for over 40 years. This year, four students will have the honor of placing a wreath on the Tomb of the Unknown Soldier. Follow our students on

this journey through the Timmerman Facebook page.

The 6th grade will enjoy their class trip to Myrtle Beach on May 1st. The highlight of this trip is a horseback excursion along the Intercoastal Waterway. A shark dissection class at the Aquarium has also been scheduled. Fun, fun, fun.

3rd and 4th grade news!

The 3rd and 4th graders have planned their class trip to Charleston on April 14th. They will enjoy the sea turtle hospital at the Charleston Aquarium as well as the National Geographic Sea Monster 4D Movie. They will be eating a buffet at Patriots' Point. This will be some students' first time riding on a big tour bus. Sounds Fantastic!

Music Music Music

Miss Stenson's 3rd grade has been studying composers and musicians in Mrs. Hood's music theory class. Students are making a timeline of their composer/musician's life. Students will also choose to dress up as that person, make a replica of the instrument they play, or make a poster. These projects encompass everything they have learned so far in class this year.

Mother-Son Dinner & Show

The Mother-Son event is scheduled for Monday, April 20th, from 6:00-8:00 in the Commons Room and the Auditorium. A spaghetti dinner will be followed by a fantastic magic show. Sounds like a super way to spend time with your sons.

Standardized Testing Week

Thank you to all of the parents for providing snacks during testing week. We are sure that our full bellies helped increase our overall scores!

National Junior Honor Society

Congratulations to the following 7th grade students who were inducted into the Mayme Hause Chapter of the NJHS on February 24, 2015: Alexis Allen, Meagan Boswell, Towns Christian, Hannah Jane Lucas, Sierra Slater, Joanna Stephens, Nic Fulmer, Forrest Havird, Riley Haywood, and Jeet Patel. Membership is

based on exceptional academic standing and leadership qualities. The Mayme Hause Chapter was chartered at Timmerman in February, 1976, inducting 12 members. Mrs. Mayme Hause was a revered 4th grade math teacher at Timmerman throughout the 1970's and 1980's. We are so proud of this exceptional group of students who carry on the tradition established in 1976.

National Junior Beta Club

Congratulations to the following 5th and 6th graders who were inducted into the National Junior Beta Club on February 24, 2015: Kaleb Barnes, Kayla Barnes, Grace Campbell, Jacob Croffie, Jordan Folligan, Meg Geddings, Henry Haywood, Lyndsey Hunter, Karina Leon, and Sosie Lipscomb. Like our Honor Society,

membership is not only based on high academic achievement, but also community involvement and citizenship. The Beta Club was chartered at Timmerman on November 21, 2001. We are so proud of our young scholarly leaders! Congratulations!

REMEMBER – March 30th – April 3rd is Easter Break

Important Important Important

Family Guild will sponsor an informative meeting on what to watch for when your child is on social media sites. A spokesperson from the State Attorney General's Office will conduct this eye-opening program. You won't want to miss this, especially if your child is in 5th-8th grade. The program will begin at 6:00 on Thursday, April 9th, in the school auditorium. The program is for parents only at the request of the presenter. You are welcome to bring a neighbor, friend, or relative who has children who are active on social media. Our student government will watch children 1st

grade and up in the gym. Please do not bring a child under 1st grade level. The program will last about an hour.

Presidential WAX Museum

Miss Clark's 5th grade class participated in a great interactive history project on February 26th. Each child selected a US President and then researched that president.

After memorizing the facts about their president, they then dressed up as that president and pretended to be made of wax. The 3rd and 4th grade students would then push a button to make the wax statue "come to life." Once "activated," the president would give a 1 ½ - 2 minute speech about his life before returning to a solid wax state. The 5th graders had a great time and learned about our nations presidents.

Is This Deal For Real?!?!?

The choral department is so excited to kick-off an incredible deal from Domino's pizza. This fundraiser will start on Monday, April 6th, (the Monday we get back from Easter break) and will last for only 2 weeks. We will be pre-selling cards for \$10.00. This card entitles you to receive a free large pizza with the purchase of a large pizza (purchase 2.....get 2, etc) and includes carry out OR DELIVERY!!! This should be a very successful fundraiser for our chorus and all proceeds will go towards our new sound proofing ceiling in the auditorium this summer. Tell your friends about this amazing deal!

Volcanoes Galore

Mrs. Lott's 4th Grade Science class studied volcanoes during the 5th six weeks. All of the students were able to build their own volcano and make it erupt in front of the the entire class. It was so much fun and all of the students did a great job. There were 3 winners for overall look and eruption.

Grand Prize – Kabilan Saravanapandian
Winners – Ashley Creek and Jon Nance.

Cinco de Mayo Celebration!

1st grade is preparing for a Cinco de Mayo celebration. Mrs. Sutherland is working with our students and teachers on many bright and creative art projects to assure our rooms are decorated for the festivities. Continuing to learn Mexican Culture, traditions, and Spanish language is a great way to usher in May, our last month of school!

Track and Field

Track season is underway and our athletes have already competed in two meets. We have two more meets scheduled for after Easter Break. Timmerman students compete in the following High School events: Long Jump, 4 X 100 Meter relay, 100 meter dash, 200 meter dash, and 400 meter dash. We are excited to see our times continue to improve in our upcoming meets.

Daddy Daughter Dance

Once again, our annual Daddy-Daughter Dance was a huge success. Dads and their little princesses danced the night away at Seawell's. Special thanks to Lanard Palmer and Mr. Robbie for providing the music and pictures.
